

All Patients except Medicare Patients:

(We do not bill your insurance. All fees are due at the time of service. We will provide you with a copy of a superbill if you would like to send it to your private insurance)

All patients are required to have a PMD in the past 2 years. Dr. Lu's practice is a consultation practice, therefore we will not be refilling pharmaceutical drugs and other insurance related paper work and claims and denials... I hope we can work with your primary care physicians

New patients:

Dr. Lu will be taking an hour to an hour and half for your first visit. The cost is \$75 per 30 min (For your information, this rate is lower than Medicare allowed rate).

1 hour visit \$150, 1 hour and 30 min visit \$225

Follow-up patients:

\$75 per 30 min is due at the time of service.
